CONSENT

I consent to Sigma Squared Transport Corporation conducting limited queries of the Federal Motor Carrier Safety Administration Commercial Driver's License Drug and Alcohol Clearinghouse to determine whether information about me exists in the Clearinghouse.

This consent remains effective throughout my employment or other service as a driver for the Company, unless I withdraw it in writing. It authorizes multiple limited queries.

A limited query tells the Company only whether information exists; it does not release the information. If a limited query indicates that information exists, the Company must conduct a full query within 24 hours. A full query requires my separate, specific electronic consent in the Clearinghouse.

If I refuse this consent, or if a required full query is not completed, the Company must not permit me to perform safety-sensitive functions, including operating a commercial motor vehicle, as provided by 49 CFR 382.701.
