YOUR CONSENT

You may receive, review, sign, and retain application records and disclosures electronically. Your electronic signature has the same intended effect as a handwritten signature.

Scope. This consent applies to the driver application, disclosures, authorizations, acknowledgments, and related hiring records delivered in this application process. A law or agency may still require a separate method of consent.

Paper option. You may request paper copies at no charge by contacting the Company at dispatch@sstransco.com or (605) 650-3870. You may also print or save each record before signing.

Withdrawal. You may withdraw consent for future electronic records by emailing or writing the Company. Withdrawal does not affect the validity of records already signed and may require the remaining process to be completed on paper.

Contact updates. Tell the Company promptly if your email address or other contact information changes.

Hardware and software. You need an internet-connected device, a current web browser, an active email address, and software capable of displaying and saving PDF files. You must be able to download or print records for your files.
